

**REMARKS**

Reconsideration is respectfully requested. Claims 1, 2, and 19 are amended as discussed with the Examiner. Claim 11 is cancelled. Claims 1-10 and 19-20 are pending. The Applicants believe the response places the application in condition for allowance.

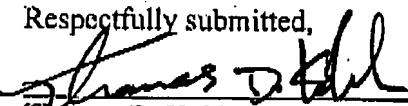

**INTERVIEW SUMMARY**

Applicants kindly thank the Examiner for the courtesy of the telephone interview on August 2 and 16, 2007. As indicated by the Examiner and agreed by Applicants, the claims prior to these amendments define over the prior art. However, Applicants have agreed to amendments suggested by the Examiner that relate matters of form in order to further clarify the invention and expedite allowance.

In view of the foregoing remarks, it is believed that the application as a whole is in form for allowance. Authorization is granted to charge any outstanding fees due at this time for the continued prosecution of this matter to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310 (matter no. 061082-0005).

Respectfully submitted,

Date: August 24, 2007
